GOLDEN JUBILEE OF INDEPENDENCE

GUYANA 1966 - 2016

WELCOME TO 50GUY

GUYANA'S OFFICIAL GOLDEN JUBILEE BRAND BOOK

This is the place to find everything you need to know about the brand and the logo.

In this book there are strict rules and guidelines to the official brand tone, attributes and reproduction of the logo.

WHAT IS 50GUY?

2016 is a historic year for Guyana as it marks our Golden Jubilee of Independence.

It is a pivotal milestone for us to :

Reflect on the past 50 years in the context of learning pertinent lessons to take forward into the future and celebrate the history, the heritage, the pioneers and the achievements of the past.

Celebrate focusing on the unity of Guyanese people and culture including the indigenous community, to rejoice in our shared experiences and values. Proclaiming Guyana's desire and commitment to move forward to a brighter future.

Inspire the youth of Guyana to have the confidence and the support to dream bigger and reach higher in the next 50 years.

Anchoring on these themes, 50GUY is an inclusive celebration culminating in a series of activities contributed by the people, private and public sectors of Guyana.

WHAT DO THESE ATTRIBUTES MEAN AND HOW DO WE APPLY THEM?

These attributes help to communicate the identity and values of Guyana. When using our logos please reflect upon these attributes as a way of ensuring the events, products or other iterations you are creating present a consistent face to the world.

The colours in our flag have significant meaning and global recognition, so it is important we keep them consistent. Please see the colour specifications, shown here on the right.

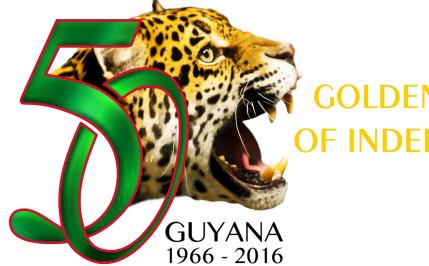

THE OFFICIAL 50GUY LOGO

Drawing inspiration from the colours of our national flag; green, red, white and black with the strong image of our jaguar roaring into the future.

To highlight the inclusive nature of the celebrations, we encourage everyone to customise and use the logo within the guidelines laid out in this brand book.
